luxury awaits in **BRENTHAVEN**

An exquisite, 6,148-square-foot home at 1607 Gordon Petty Drive in Brentwood offers new homeowners with signature craftsmanship, creative style and incredible finishes done in intricate details.

The interior features a spacious, open-concept floor plan, anchored by the modern kitchen's custom white oak island and novel, bright white backsplash. Just off the kitchen is a roomy living room with soaring vaulted ceilings, exposed beams and a floor-to-ceiling ArcusStone fireplace.

The main level houses both a stunning primary and an optional guest suite. Altogether, this two-story has five bedrooms, five full bathrooms and two partial bathrooms. Walk-in closets offer a generous number of organized sections and drawers.

This sensational home, on 1 full acre, has an exterior, covered rear porch with a natural gas grill and wood burning fireplace, just begging to be surrounded by great conversations. There's also an attached, three-vehicle garage.

Schools associated with this property: Lipscomb Elementary, Brentwood Middle, Brentwood High.

This property is represented by LCT Team-Parks Realtor Lisa Culp Taylor. She says her favorite feature of this home is the beautiful sunroom off the gourmet kitchen, whose space is flooded with natural light from floor-to-ceiling windows with a magnificent property view. "A Trace Construction home is always going to have smart windows creating bright, welcoming rooms."

Current asking price is \$3,349,900. Call Lisa at 615.790.7400 or 615.775.3830.
